Company Management - Departments

The screenshot shows the SIEC Company Management interface. The left sidebar contains a navigation menu with options: Dashboard, Company Management (selected), Employee Management, Onboarding, Asset Management, Exit Management, Attendance, Leave Management, Expense Management, Payroll, KPI / Performance, and Careers. The main content area is titled 'Company Management' with a subtitle 'Complete all sections and submit at the end'. Below this are four tabs: Company Profile, Holidays, Departments (selected), and Designations. The 'Departments' tab displays a search bar labeled 'Search departments...', a message 'No departments added yet', and a '+ Add Department' button. At the bottom of the tab are 'Previous' and 'Next' navigation buttons. The top right corner shows a user profile for 'Super Admin'.

This screenshot shows the same SIEC Company Management interface, but with the 'Add Department' modal open. The modal has a title bar with a close button (X). It contains two input fields: 'Department Name *' with the placeholder text 'e.g., Engineering, HR' and 'Head of Department' with the placeholder text 'HOD name'. Below the input fields are two buttons: 'Cancel' and 'Save Department'. The background content is dimmed, showing the same 'Departments' tab with the '+ Add Department' button and navigation controls.
